C, Classic - The Classic Division began in 1961 to separate the professional and non-professional entrants in the tournament. It was discontinued after 1979.

B, Booster - The Booster Division began in 1916 for teams that had a 900 team average or less. Until 1936, teams in the division were from the host city area. In 1937, the division opened to any teams that qualified.

CL, Classified - The Booster team concept was expanded in 1999. In addition to the team event for teams that had a 900 team average or less, divisions were added for doubles (360 average or less) and singles and all-events (180 average or less).
