

Thinking Better Together

A dynamic decision-making seminar that turns ideas into action.

“The biggest enemy of thinking is complexity, for that leads to confusion. When thinking is clear and simple, it becomes more enjoyable and more effective. The Six Thinking Hats concept is very simple to understand. It is also very simple to use.”

- Edward de Bono

A decorative graphic at the bottom of the slide consisting of a bright central point with numerous thin, white lines radiating outwards, creating a starburst or spark effect against a light grey background.
