Women's Championships' Bowl for the Cure Week

Because of the evolving situation with the USBC Women's Championships schedule, the Bowl for the Cure Week celebration will be rescheduled to the 2021 tournament in Addison, Illinois.

USBC thanks the survivors and participants who have supported the cause. Donation boxes will be available at this year's tournament for those who wish to support the fight against breast cancer.

Please email bftc@bowl.com with any questions.

USBC Convention and Survivor Luncheon

As you may have already heard, the 2020 USBC Convention has been postponed. Those currently registered for the Survivor Luncheon will remain on the registrant list; those not registered, but wanting to attend, will be able to register at a later date. The BFTC newsletter will continue to update you with information as the situation progresses. You can also follow USBC event updates at BOWL.com or BOWL.com/USBCCOVID19update.

For any questions regarding the Survivor Luncheon, email bftc@bowl.com.

Message from Bowl for the Cure and Susan G. Komen

Bowl for the Cure realizes these are trying times for our community. There are many people who may be immune suppressed because of cancer treatment. Please know in this time of need there are resources available. Susan G. Komen has a helpline for those who cannot seek in-person care and Komen's [Treatment Assistance Program](#) offers assistance to those in need. Your donations help fund these programs and many more:

- Psychosocial support for patients and their families
- Community grants
- Research programs
- Breast cancer education

For those who have questions or need assistance, you can contact Komen's helpline at 1-877-GO-KOMEN (1-877-465-6636) or email helpline@komen.org. For more information regarding COVID-19 and breast cancer, click [here](#).

Survivor Highlight – Donna Angstead

"I am sooo thankful that I actually found the 2cm lump, had a wonderful surgeon who was proactive, and I did not lose my breast! The tumor was removed and followed with oral medication, close follow-up, and radiation! I am so thankful for the good care and many prayers of loving friends who were such a source of strength & hope! It has been an honor to teach and encourage others."

If you have stories, memories, or words of encouragement you want to share with the community, we want to hear from you. You may even get a feature in the Bowl for the Cure newsletter! Please email bftc@bowl.com with the subject line "BFTC Highlight" or you can mail a letter to:
