WHY DO YOU NEED SCHOLARSHIP MANAGEMENT?

The Scholarship Management and Account Reporting for Tenpins (SMART) program provides a centralized location to manage bowling scholarships at no cost to the provider and/or member.

The United States Bowling Congress is the National Governing Body for the sport of bowling as recognized by the United States Olympic & Paralympic Committee. USBC also is recognized by amateur organizations such as the NCAA, NAIA, and state high school athletic associations, and is authorized to administer scholarships through the SMART program.

ONLINE RESOURCES

Go to BOWL.com/SMART for information needed to efficiently manage provider and recipient accounts, including:

- Frequently Asked Questions for both providers and recipients
- New account form and information for providers
- Policy and procedures manual

SCHOLARSHIP FUNDS

- Only available after high school graduation
- Funds can be sent directly to a post-secondary educational institution, or may be requested as a reimbursement of tuition, textbooks or required supplies and/or equipment such as a computer. Funds may also be used toward off-campus housing and student loan debt.
- \$7 million in scholarships are awarded annually through bowling
