### 1. I am new to SMART. How do I log into my account?

Your USBC Community Login for BOWL.com will work for SMART. If you do not have a Community Login created yet, you will need to do so using your USBC ID number and birthdate.

Go to BOWL.com. In the upper right-hand corner click "Login", then go to "Sign up for a USBC Community Account" to create a username and password. Once created and verified by email, go to [BOWL.com/smart](https://www.bowl.com/smart) to log into the SMART account.

### 2. What if I forgot my username?

Email us at [smart@bowl.com](mailto:smart@bowl.com), and we can help you out. We will need:

- Name
- Address
- USBC Member Number

### 3. What if I forgot my password?

If your username is:

- An email address – You can retrieve your password through BOWL.com by clicking on "Forgot Password" in the upper right-hand corner.
- Not an email address – Email us at [smart@bowl.com](mailto:smart@bowl.com), and we can help. We will need:
  - Name
  - Address
  - USBC Member Number

### 4. I have two children. Can I create a login that will reflect both SMART accounts, or can I connect them to my personal login?

No. Each user requires a unique username/password for *their* USBC ID number. This ensures that each SMART account is unique and secure.

### 5. My child has multiple accounts. How can I get all the scholarships in one account?

Email [smart@bowl.com](mailto:smart@bowl.com), and we will merge the accounts. We will need:

- Name
- Address (including city/state)
- All USBC member numbers
- Birthdate

### 6. How can I join SMART?

Youth automatically become a participant in the program when an organization sends SMART a funded scholarship in their name.

### 7. Will I be notified of any scholarships SMART receives?

Yes. We will send an email to the email address listed on your profile when we receive a funded scholarship in your name within 5 business days. Please be sure to keep your email address current on your profile page.

## SCHOLARSHIP FUNDS

### 8. Why is my balance in points?

This aligns SMART with standards of high school athletic associations across the country. Until you graduate high school, your balance will display in points. After graduation, they will reflect the actual dollar amounts.

### 9. How do points equal money?

Each point in SMART is worth \$5 and is rounded down.

**Example:**

50 SMART Points = \$250

\$1,324 Scholarship Dollars = 264 SMART Points

(To see the actual dollar amount, click on a scholarship. The points will change to exact dollar amounts after high school graduation.)

### 10. What if I do not see a scholarship I earned in my account?

- You may be looking too early, and the scholarship may not have been added to your account yet. You can always contact the person who awarded the scholarships to see when it will be submitted to SMART.
- You may have multiple USBC ID numbers. If you find another ID, email SMART. We will need:
  - Name
  - Address (including city/state)
  - All USBC ID numbers

If you've contacted the person who awarded the scholarship and it is still not in your account, please email [smart@bowl.com](mailto:smart@bowl.com) for assistance. We will need:

- Name of tournament, league or organization
- Name of person responsible for the event
- Copy of award certificate. If no certificate, then proof of the amount won.
- Date of event
- Center name

### 11. Do I have to pay taxes on my scholarship funds?

Please consult a tax professional, as SMART cannot answer tax questions.

### 12. What is considered an "active recipient" in order to receive a portion of the 75% recipient allocation (bonus scholarship) deposited by SMART?

Recipients who use funds in the proceeding calendar year may receive an additional scholarship on Feb. 15 of the following year. Transferring funds to a family member does not qualify as "use" for the allocation. Disbursed funds that are returned to SMART do not qualify as "use" for the allocation.

## SMART Pell Grant Match Program

### 13. What is the SMART Pell Grant Match Program?

SMART will match Federal Pell Grant awards for students with a history of at least two years of USBC bowling participation (at least one being youth). Students simply submit an application, proof of their Pell Grant award for the 2022-2023 academic year, and 2022-2023 class schedule, and SMART will match the Federal Pell Grant dollar for dollar via a new SMART deposited scholarship.

### 14. What is the [Federal Pell Grant](#)?

The Federal Pell Grant is a well-known program that helps students and families with the greatest financial need pay for college. Students must demonstrate financial need to the federal government by submitting a FAFSA form. The Pell Grant amount is awarded based on need.

### 15. Is there a deadline to receive the SMART Pell Grant Match?

No. Students can submit proof of their Pell Grant anytime during the school year to receive a match from SMART. This will continue until all grant funds allocated for that year have been exhausted.

### 16. How often can I apply for the SMART Pell Grant Match?

Students can reapply every year, just as they do for the Pell Grant. The Federal Pell Grant can be awarded to one individual a max of 12 terms/six years. However, it is limited to those who have not earned a bachelor's, graduate or professional degree.

### 17. Do I have to use awarded Grant Funds toward tuition?

No. Funds received via the SMART Pell Grant Match program can be used the same as any other scholarship. This includes tuition, room and board, campus bookstore, off-campus housing, student loans, or as reimbursement for out-of-pocket expenses such as laptops, tuition, books or other required supplies. See FAQ 21-22.

### 18. Can I transfer these funds to a family member if I don't use them?

No. Grant funds are not transferrable and will expire back into the general grant fund after two years if unused.

### 19. I received a Federal Pell Grant in the 2021-2022 academic year. Does this qualify for the 2022-2023 Match?

No. SMART will start matching Federal Pell Grants awarded in the 2022-2023 academic year.

### 20. How do I qualify for a SMART Pell Grant Match?

A student applying for a SMART Pell Grant Match must be approved for a Federal Pell Grant and have two years of USBC Membership history, one of which being youth. They do not have to be consecutive. The student must also still be within eight years of their high school graduation.
