

PRACTICE & SIDE EVENTS

Get the edge with a practice session on this year's team oil pattern. Increased availability and lower costs give all competitors a chance to prepare before hitting the championship lanes.

The practice lanes are located at the South Point Bowling Center, just a short walk from the main tournament venue.

One pair of lanes, for up to 10 bowlers, is \$100 per hour. Only one team? No problem! One lane, for up to five bowlers, is just \$50 per hour.
