- If an alternate pair is not available, two (2) shots will be awarded on the lane opposite of where the competitor will throw her next shot for score.
- If a breakdown requires competitors to move to an alternate pair not previously used in the tournament, each competitor required to move will receive two (2) warm-up shots on each lane. Competitors on subsequent squads will not receive warmup on new pair. If pair is repaired, it will remain out of play for all squads unless a re-oil occurs. FORMAT

PRE-TOURNAMENT QUALIFIER

- The pre-tournament qualifier will feature one eight-game block, with total pins determining finishing position and qualification into the U.S. Women's Open.
- PTQ field size is determined by lane availability.
- Entry fee is \$500.
- Players not making the field for the U.S. Women's Open will be returned half (1/2) of their entry fee upon the completion of the qualifier.
- Each PTQ entry will count as half of a U.S. Women's Open entry and will be added to the U.S. Women's Open prize fund.

Anyone planning on running a local qualifier/win-a-spot still can do so but would be buying a spot into the PTQ on-site, not directly into the U.S. Women's Open. The cost to enter the qualifier is \$500 and should be done early, as spots are limited. Proprietor or tournament operator then must call U.S. Women's Open staff to change entry to winner's name. If the bowler does not advance to the U.S. Women's Open field, \$250 would be refunded.

Alternates for qualifying

- The top five non-qualifiers from the PTQ become alternates for entry into the U. S. Women's Open. Alternates must complete ball cards and turn them in prior to A squad roll call on the first day of competition.
- Alternates may participate in official practice sessions.
- Alternates must be present for A Squad roll call.
- In case of a drop out, alternates will be placed into competition based on order of finish.

QUALIFYING

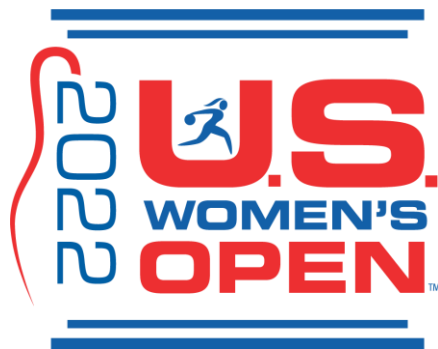

- Each entrant will bowl three blocks of eight games each.
 - Twelve pairs of lanes will be used for competition, with no more than three bowlers on a pair.
 - Four pairs of lanes not used for competition will be available for warmup prior to each squad.
 - Each bowler's 24-game total will be used to determine qualifiers for the fourth round of qualifying. One (1) for every three (3) entrants (1:3) will advance to round four of qualifying.
 - After eight more games of qualifying, total pinfall will be used to determine the top 24 bowlers.
- The top 24 bowlers will advance to round-robin match play.
- A bowler arriving late will begin play, and her score will count beginning with the frame then being bowled.

MATCH PLAY

- Bowlers making the 24-player match-play field will bowl 24 one-game matches.
- Each bowler will bowl every other bowler in the field once, with the final match being a position round (i.e. first place bowls second, third bowls fourth etc.).
- The winner of each match will receive 30 bonus pins in addition to their pinfall for the game. In the event of a match being tied, each bowler will receive 15 bonus pins.
- This pinfall is added to their total from qualifying and a running total shall be kept.
- At the conclusion of match play, the top five bowlers according to pinfall, including bonus pins, will be seeded into the stepladder finals.

ALTERNATE FOR MATCH PLAY

- Any competitor who qualifies for the match-play alternate position must inform the tournament director of the decision to accept or decline the position within 15 minutes of the official announcement.
 - Penalty: \$100
- In the case of a tie for the alternate position for match play, the competitor with the highest qualifying block score will be given the alternate position.

- When an alternate enters competition, a new alternate shall be identified. The next-highest finisher in the host center will be offered the alternate position until it is filled. If a suitable replacement cannot be found and a subsequent match-play finalist withdraw occurs, the bowler remaining will bowl against a blind score equivalent to her qualifying average less 10 pins.
- Both the alternate and the competitor being replaced shall receive an amount of prize money equal to one-half the sum designated for the final position of the alternate and that designation for the position of the alternate occupied prior to match play.
- Warm Up When Entering – The alternate will receive four (4) warm-up shots on a pair determined by the tournament director.
- Alternate for Stepladder Finals – There will be no alternate to stepladder finals in PWBA tournaments.

STEPLADDER FINALS

- The stepladder finals will be a single-elimination format.
