## REGIONAL TOURNAMENT FORMAT

Qualifying will consist of eight round-robin Baker match games. All teams will return on Day 2 and be seeded into tiered brackets based on match-play record. The top eight teams after match play will be seeded into the Tier 1 bracket, and all subsequent brackets will consist of a maximum of eight teams.

Match play will consist of double-elimination, match-play brackets. Each match will be decided in a best-of-three format. Teams will continue bowling until they have lost two matches, thus being eliminated from the tournament.

Each bracket will have a winning team. The team that wins the Tier 1 bracket in each division will be crowned tournament champion.

Format is subject to change based on state and local regulations.
