IBC YOUTH COMMITTEE MEETING REPORT TO THE BOARD

December 2-3 | Dallas

The IBC Youth Committee held a meeting at the IBC Campus on Dec. 2-3, 2017

Members present: Blair Blumenscheid, Chrissie Kent, Taffany Shipp, John McCarthy, Irene Wilson, Kelly Marlin, Mike Cannington, Melissa McDaniel (Chair).

Excused: Brent Bowers and Lindsey Siegel. Staff: Gary Brown, Chad Murphy, Roger Noordhoek, Zach Barton and Robin Marshall.

Meeting started with a review of the policy manual. Discussed legislation regarding the policy manual and process to make changes and edits to the policy manual.

Committee elected Melissa McDaniel as the Youth Committee Chair for the 2017-2018 Season.

Gary Brown and Roger Noordhoek went through the 2018 Business Plans and the following topics were discussed: Bowlopolis, Bowlers Ed, Membership, High School, USA Coaching, USA Bowling, Collegiate, Junior Gold, Pepsi, Youth Open, USA Bowling Tournaments and Youth Marketing.

Scholarships Discussion

Staff showed the committee a new process for the scholarships. The presentation provided the committee the process used to review and grade the scholarship applications. Staff provided a timeline for the committee to review and grade the applications. Staff and committee also discussed the Youth Committee attending to present the awards at the 2018 USBC Convention.

Junior Gold

Staff presented three enhancements for the Junior Gold Championships. The enhancements discussed were the addition of a U17 Division, modifying the TV show, and the length of the season. The committee believed the enhancements were positive and recommended staff move forward with the announcement.

Committee was asked to check schedules and let staff know who can volunteer during Junior Gold.

Breakout Discussion on USA Bowling Tournaments

The Chair requested time to go over USA Bowling Tournaments. The discussion specifically covered how to grow the event and how the Youth Committee can get involved in helping it grow. The group split into three teams and walked through a S.O.A.R. (strengths, opportunities, aspirations, results) exercise. After some productive discussions, the Youth Committee agreed they would work hard to promote the tournaments at a local level and work on educating the membership about the event. Staff left with the results of the exercise and are preparing a document with priorities in all categories.

Strategic Plan

There was discussion on updating the strategic plan. The plan is several years old and needs to be reviewed. The discussion was to take BPAA Board Members, USBC Board Members, and IBC Youth Committee members to create/update the plan. Early conversations were to try and have this done at USBC Convention.

Respectfully Submitted,

Melissa McDaniel, Chair Blair Blumenscheid Brent Bowers Mike Cannington Chrissie Kent Kelly Marlin John McCarthy Taffany Shipp Lindsey Siegel Irene Wilson Gary Brown, Staff

PEPSI YOUTH CHAMPIONSHIPS STARTS WITH LEAGUE-LEVEL QUALIFYING

October 2016 - May 2017

The Pepsi USBC Youth Championships is a nationwide tournament open to all United States Bowling Congress Youth members.

The event starts at the league level and must take place between October and February, and there is no entry fee at this level for youth bowlers. Centers with certified USBC Youth leagues are automatic qualifying sites.

Bowlers can advance through a combination of league, center, regional and state competitions – the process is determined by each state – but league-level and statelevel competitions are required. The boys and girls winners in each of the five age divisions (U8, U10, U12, U15 and U20) at the league level advance to the state/ zone competition.

In addition to the opportunity to compete against bowlers from across their state, USBC Youth bowlers also have the chance to win state titles and earn scholarships.

With each of the 50 states conducting events, along with competitions on United States military bases in in Europe and Puerto Rico, more than 25,000 USBC Youth bowlers took part in the Pepsi USBC Youth Championships. The events combined to award more than \$600,000.

The Pepsi USBC Youth Championships state tournaments also serve as qualifying events for the Junior Gold Championships. One boy and one girl from each age group – U12, U15 and U20 – advance to the Junior Gold Championships.

Youth bowlers can contact their youth program director to find out when their league will participate in the Pepsi USBC Youth Championships.

2017 INTERCOLLEGIATE TEAM AND SINGLES CHAMPIONSHIPS | April 17-22 Raising Cane's River Center | Baton Rouge, Louisiana

The Intercollegiate Team and Singles Championships are the pinnacle events of the collegiate bowling season, crowning the top performers of the collegiate bowling season.

The Intercollegiate Team Championships (ITC) features the top 16 men's and top 16 women's teams competing for the Kerm Helmer Cup, awarded to the tournament champions. The Intercollegiate Singles Championships (ISC) brings together the top 24 men and top 24 women to compete for individual national titles.

The title matches for the ITC featured a best-of-five Baker format, while the ISC semifinals and title match were one-game total-pinfall matches. The finals were taped for broadcast on CBS Sports Network.

Both events were held at the Raising Cane's River Center in Baton Rouge, Louisiana.

The McKendree women hoisted the Helmer Cup for the first time by defeating defending champion Webber International, 3-2.

Both teams struggled in the deciding game, but McKendree freshman Breanna Clemmer filled 20 pins in the 10th frame to force Webber freshman Caitlyn Johnson to double for the victory. Johnson's first shot left the 3-6-10 standing to give McKendree the win in Game 5, 159-147.

It was the second national title McKendree won at the River Center in 2017. The team captured the program's first National Collegiate Athletic Association (NCAA) Women's Bowling Championship at the venue. The Bearcats became just the second team to win both titles in the same year (Maryland Eastern Shore in 2011).

USBC Collegiate vacated the men's ITC title because of a rules infraction.

Wesley Low Jr. of Wichita State and Haley Hall of Midland were named the tournament's most valuable players.

Both 2016-2017 National Collegiate Bowling Coaches Association Most Valuable Players finished the 2017 season with ISC titles.

Midland senior Nick Pate defeated Lindenwood's Bryan Dragotta in the men's final, 214-199, and Wichita State junior Sydney Brummett won the women's final against Webber's Taylor Bulthuis, 225-170.

2017 USA BOWLING NATIONAL CHAMPIONSHIPS PRESENTED BY SIXLETS

July 18-22 | Cleveland, Ohio

The USA Bowling National Championships presented by Sixlets is a national youth team event featuring 12-andunder and 15-and-under divisions. The tournament grew out of the USA Bowling program, a team-based youth program to introduce youngsters to the sport.

The 2017 USA Bowling National Championships was contested across three centers in the Greater Cleveland area – Yorktown Lanes for qualifying, Freeway Lanes of Parma for match play, Game of Wickliffe for the finals.

The championship match in each division was taped for broadcast on CBS Sports Network. The finals featured a bestof-five Baker match to determine the champion.

In the U12 division, Pacific Southwest regional winner Cloverleaf Strikers defeated Georgia All Stars, the Atlantic East regional champion, 3-1, to claim the victory. After exchanging wins in the first two games, Cloverleaf Strikers posted wins of 204-147 and 192-185 take home the title.

Cloverleaf Strikers included Joey Irvin, Diego Jara, Nihal Mareedu and Harley Shene.

The U15 title match consisted of a youthful battle of the sexes, with the all-male Midwest regional champion 3 Rights Make a Left besting the all-female Bring It On, which captured the Northeast regional title, 3-1.

3 Rights Make a Left dropped the opening game, 189-163, but the team found the right look and averaged 216 in winning its next three games (218-172, 223-182, 207-176) to secure the win.

The team consisted of Brandon Bonta, Silas Limes, Peyton Montgomery and Spencer Robarge, the 2015 Junior Gold Championships U12 champion.

USA Bowling conducted 16 regional events across the country to determine the 32 teams– 16 in U12, 16 in U15 – that would represent their regions at the national tournament.

Team in the U12 and U15 divisions bowled five and six games of qualifying at the 2017 event, respectively, after a citywide power shortage forced qualifying to be cut short from the originally scheduled 15 games to determine seeding for the double-elimination match-play bracket.

The Baker format was used for all qualifying, with best two-ofthree matches determining which teams advanced in the bracket.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

IBC Youth Bowling, Inc. (IBCYB) is a nonprofit organization whose purpose is to operate exclusively for charitable and educational purposes in the sport of bowling. IBCYB was incorporated on July 28, 2014 in the state of Wisconsin. IBCYB started operating effective October 1, 2014 when the youth programs were spun off from the International Bowling Campus, LLC (IBC). IBCYB's revenues are derived primarily from contributions, membership dues, and tournament entry fees. IBCYB's fiscal year ends on December 31. Significant accounting policies followed by IBCYB are presented below.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

Investments

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on investments are included in the statements of activities.

Accounts Receivable

Accounts receivable are uncollateralized obligations. Accounts receivable are stated at the invoice amount. Payments of accounts receivable are applied to the specific invoices identified on the remittance advice or, if unspecified, to the earliest unpaid invoices.

The carrying amounts of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectability of specific accounts and the aging of the accounts receivable. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts. The allowance for doubtful accounts was \$-0- and \$12,247 at December 31, 2017 and 2016, respectively.

Inventory

Inventory consists of resale merchandise and awards and is valued at the lower of cost or net realizable value with cost determined on a first-in, first-out (FIFO) basis.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Company utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the account balances and the amounts reported in the financial statements.

Revenue Recognition

Deferred revenue consists primarily of membership dues and tournament entry fees. These amounts are recognized in the fiscal year in which the individual receives the privileges that membership offers. Tournament and program service revenues are recognized in the year in which the event is held or the related expenses are incurred.

In addition, revenues under certain royalty and sponsorship agreements are being recognized based on the terms of the related contracts. Deferred revenue is recognized monthly over the term of the contract.

Net Assets

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. However, donor-restricted contributions whose restrictions are met during the same year are directly reported as increases in unrestricted net assets. The net assets of IBCYB and changes therein are classified and reported as follows:

Unrestricted Net Assets

These represent net assets that are not subject to external donor-imposed restrictions.

Income Tax Status

The Internal Revenue Service (IRS) has issued a determination letter dated December 31, 2014, granting IBCYB an exemption from federal income tax under IRS Code Section 501(c)(3). However, income received from certain activities is subject to income tax as unrelated business income.

Reclassifications

Certain reclassifications have been made to the 2016 financial statement presentation to correspond to the current year's format. Previously reported net assets and changes in net assets are unchanged due to these reclassifications.

Accounting Pronouncements

<u>Revenue from Contracts with Customers</u> – In May 2014, the Financial Accounting Standards Board (FASB) issued amended guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required regarding customer contracts, significant judgements and changes in judgements, and assets recognized from the costs to obtain or fulfill a contract. The guidance will initially be applied retrospectively using one of two methods. The standard will be effective for the entity for annual reporting periods beginning after December 15, 2018, and interim reporting periods within annual periods beginning after December 15, 2019. Management is evaluating the effect of the amended revenue recognition guidance on the entity's financial statements.

Total Investment Income	\$ 28,560	\$	16,439	

NOTE 3 FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under accounting principles generally accepted in the United States of America are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used at December 31, 2017 and 2016 for assets measured at fair value.

Interest-Bearing Cash and Money Market Funds: Are valued at cost which approximates fair value.

Mutual Funds: Are valued at quoted market prices, which represent the net asset value of shares held by IBCYB at year-end.

Exchange-Traded Funds: Are valued at the closing price reported on the active market on which the individual securities are traded.

(BPAA), International Bowling Museum and Hall of Fame, Inc. (IBM&HF), and International Bowling Campus, LLC (IBC)), available to all employees who have reached the age of 21 and completed one month of service. Employees may contribute to their accounts up to the annual amount allowed by Iaw. IBCYB matches 100% of the first 3% of employee contributions, plus 50% of the next 2% of the employee's contribution. Total contribution expense recorded under the plan was \$8,847 and \$13,053 for the years ended December 31, 2017 and 2016, respectively.

NOTE 6 SIGNIFICANT ESTIMATES AND CONCENTRATIONS

Accounting principles generally accepted in the United States of America require disclosure of information about certain significant estimates and current vulnerabilities due to certain concentrations. These matters include the following:

Reserve for Self-Insurance

Under its self-insurance plan, IBCYB accrues the estimated expense of health care claims costs based on claims filed subsequent to year-end and an additional amount for incurred but not yet reported claims based on prior experience. Accruals for such costs of \$10,431 and \$15,892 are included in accrued liabilities at December 31, 2017 and 2016, respectively. Claims payments based on actual claims ultimately filed could differ materially from these estimates.

Concentration of Credit Risk

IBCYB maintains its cash in one commercial bank. Balances on deposit are insured by the Federal Deposit Insurance Corporation up to specified limits. Balances in excess of these limits are uninsured.

NOTE 7 RELATED PARTY TRANSACTIONS

IBCYB has a payable of \$254 and a receivable of \$3,499 from IBC as of December 31, 2017 and 2016, respectively.

IBCYB has a payable of \$3,122 and \$714 due to SMART Bowling Scholarship Funding Corporation (SMART) as of December 31, 2017 and 2016, respectively, for funds collected by IBCYB on behalf of SMART.

NOTE 7 RELATED PARTY TRANSACTIONS (CONTINUED)

IBCYB received contributions of \$620,622 and \$611,491 from USBC during the years ended December 31, 2017 and 2016, respectively. IBCYB received contributions of \$549,996 and \$549,996 from BPAA during the years ended December 31, 2017 and 2016, respectively. Additionally, IBCYB has receivables of \$387,901 and \$435,156 from USBC as of December 31, 2017 and 2016, respectively. IBCYB has receivables of \$-0- and \$8,707 from BPAA as of December 31, 2017 and 2016, respectively.

NOTE 8 COMMITMENTS AND CONTINGENCIES

On October 2, 2017, IBCYB accepted a proposal of work from a third-party IT consultant to create an internal collegiate ranking software and database. Estimated costs related to this agreement range from \$236,950 and \$284,375, in addition to travel expenses incurred by the third-party consultant during the course of the engagement. This project is scheduled to begin and be completed in 2018.

NOTE 9 SUBSEQUENT EVENTS

Management evaluated subsequent events through March 28, 2018, the date the financial statements were available to be issued. Events or transactions occurring after December 31, 2017, but prior to March 28, 2018 that provided additional evidence about conditions that existed at December 31, 2017, have been recognized in the financial statements for the year ended December 31, 2017. Events or transactions that provided evidence about conditions that did not exist at December 31, 2017, but arose before the financial statements were available to be issued, have not been recognized in the financial statements for the year ended December 31, 2017.
